ANSWERING MACHINE

Good evening, my name is **(first name only)** and I'm a student volunteer from **(name of school)**.
I'm calling tonight on behalf of the Issaquah Schools Foundation.

Tonight, the foundation is seeking donations to enhance educational resources for our schools.

We are suggesting a donation of \$200 from each family and have already sent mailers with a remittance envelope and information to your home. But of course any size donation is welcome. You can also donate online and learn more about the foundation at www.issaquahschoolsfoundation.org We will try calling you again tomorrow night. Thank you and good evening.
